Dear Parents and Eligible Students (those 18 years or older).

Board Policy 8330 (Student Records), which is attached, provides as follows:

DIRECTORY INFORMATION

Each year the Superintendent shall provide public notice to students and their parents of the District's intent to make available, upon request, certain information known as directory information. The Board designates as student directory information: a student's name; address; telephone number; date and place of birth; major field of study; participation in officially-recognized activities and sports; height and weight, if a member of an athletic team; dates of attendance; date of graduation; or awards received.

The Board designates school-assigned e-mail accounts as directory information for the limited purpose of facilitating students' registration for access to various online educational services, including mobile applications/apps that will be utilized by the student for educational purposes and for inclusion in internal e-mail address books.

School-assigned e-mail accounts shall not be released as directory information beyond this/these limited purpose(s) and to any person or entity but the specific online educational service provider and internal users of the District's Education Technology.

Directory information shall not be provided to any organization for profit-making purposes.

Parents and eligible students may refuse to allow the Board to disclose any or all of such directory information upon written notification to the Board within ten (10) days after receipt of the Superintendent's annual public notice.

In accordance with Federal and State law, the Board shall release the names, addresses, District-assigned e-mail addresses (if available), and telephone listings of secondary students to a recruiting officer for any branch of the United States Armed Forces or an institution of higher education who requests such information. A secondary school student or parent of the student may request in writing that the student's name, address, District-assigned e-mail address (if available), and telephone listing not be released without prior consent of the parent(s)/eligible student. The recruiting officer is to sign a form indicating that any information received by the recruiting officer shall be used solely for the purpose of informing students about military service and shall not be released to any person other than individuals within the recruiting services of the Armed Forces. The Superintendent is authorized to charge mailing fees for providing this information to a recruiting officer.

Whenever consent of the parent(s)/eligible student is required for the inspection and/or release of a student's health or education records or for the release of directory information, either parent may provide such consent unless agreed to otherwise in writing by both parents or specifically stated by court order. If

The Board may disclose directory information, on former students without student or parental consent, unless the parent or eligible student previously submitted a request that such information not be disclosed without their prior written consent.

The Board shall not permit the collection, disclosure, or use of personal information collected from students for the purpose of marketing or for selling that information (or otherwise providing that information to others for that purpose).

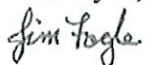

Attached you will find the Form 8330 (Annual Notification to Parents Regarding Student Records and Specific Events/Activities) for the 2022-2023 school year.

As indicated in Form 8330:

The Board will make the above information available upon a legitimate request unless a parent, guardian, or adult student notifies the School in writing within ten days (refer to Policy 8330) from the date of this notification that s/he will not permit distribution of any or all such information. Directory information will not be provided to any organization for any profit-making purpose.

This written notification may be provided to the attention of the Superintendent, including by email within ten days.

ANNUAL NOTIFICATION TO PARENTS REGARDING
STUDENT RECORDS AND SPECIFIC EVENTS/ACTIVITIES

STUDENT RECORDS

The Board of Education has adopted a policy regarding the disclosure of educational records and the rights of parents and students to access educational records. Copies of this policy and related guidelines are located in all school buildings and individual copies are available from the District's Records Officer ("DRO"). The DRO is responsible for the supervision of student records in the school and his/her office is located at the Treasurer's Office at 5002 Ayers Lime Stone Rd, Martins Ferry, OH 43935, or s/he can be reached by calling (740) 633-1732 ext. 4006.

Each student's records will be kept in a confidential file located at the student's school office. The information in a student's record file will be available for review only by the parents or legal guardian of a student, adult student (eighteen (18) years of age or older), and those authorized by State and Federal law and Board policy/guidelines. State and Federal law permits access by school officials who have a legitimate educational purpose. School officials for purpose of the Board's policy include Board members, those in administrative or supervisory positions, teachers and those under contract as instructors, substitutes, and those employed by the Board or under contract to the Board to perform certain special tasks. An individual will have a "legitimate educational purpose" if the record is necessary in order for the school official/employee to perform an administrative, supervisory, or instructional task or to perform a service or benefit for the student or the student's family.

A parent or adult student has the right to:

- A. inspect and review the student's education records within forty-five (45) days after receipt of the request. The school has a form which can be used to submit a request. The Custodian of Records ("COR") (building principal) will notify the parent or adult student of the time and place where the records can be inspected. Parents and adult students are not permitted to inspect and review the educational records of other students. If there is a valid reason why a parent or student cannot personally inspect and review a student's educational records, or if the parent or student specifically requests copies of educational records, the COR may arrange for copies of the requested records to be delivered to the parent or student directly. The Board may charge a reasonable fee for the copying of records, which may be waived under circumstances of unusual hardship.
- B. request amendments if the parent or adult student believes the record is inaccurate, misleading, or otherwise in violation of the student's privacy rights. Parents or adult students who believe that a change is necessary should immediately ask the COR to correct the record. If the record is not changed to the parent's or student's satisfaction or if the COR informs the parent or student that the record does not appear to be misleading, inaccurate, or in violation of any privacy right, the parent or student will be asked to submit a written statement indicating the basis for his/her request for a change. This written statement will initiate the review process which may ultimately result in a hearing on the matter before a hearing officer and a final decision by the Superintendent. A parent or student who remains dissatisfied with the final decision of the Superintendent may request that an explanatory statement be placed in the student's file explaining the basis for the disagreement. The school has a form which may be used to identify which information in the record the parent or adult student believes is inaccurate, misleading, or a violation of the student's privacy rights, and to specify why it is inappropriate.

- C. consent to disclosures of personally identifiable information contained in the student's educational records, except to those disclosures allowed by the law. The school's AG 8330 describes those exceptions and is available upon request.
- D. challenge the Board's noncompliance with a parent's request to amend the records through a hearing. If the Custodian of Records decides not to amend the record, the parent or adult student will be so notified and provided the opportunity for a hearing. Additional information concerning the hearing will be provided when the individual is notified of the opportunity for a hearing.
- E. obtain a copy of the District's policy and administrative guideline on student records (Policy 8330 and AG 8330).

The District has designated the following information about each student as "directory information":

(REFER TO POLICY 8330 FOR THE INFORMATION THE DISTRICT HAS DEFINED AS DIRECTORY INFORMATION.)

The Board designates as student "directory information": a student's name; address; telephone number; date and place of birth; major field of study; participation in officially-recognized activities and sports; height and weight, if a member of an athletic team; dates of attendance; date of graduation; awards received; honor rolls; scholarships; telephone numbers only for inclusion in school or PTO directories.

The Board will make the above information available upon a legitimate request unless a parent, guardian, or adult student notifies the School in writing within ten days (refer to Policy 8330) from the date of this notification that s/he will not permit distribution of any or all such information. Directory information will not be provided to any organization for any profit-making purpose.
